Congratulations to Cat Hayden, saxophonist, who has just got engaged.
Graeme Vout has started a different project in his job with Stockport Council. He is now responsible for the development of the whole centre of Stockport. Now we know who to blame.

It was good to see John Vincent back at rehearsal after a debilitating illness.

supporters so far. Probable concerts already pencilled in are at the cathedrals in Castello D'Empuries and Girona, the new theatre in Figueres and somewhere in Beziers and Roses (probably at the usual outside rotunda). We usually share concerts with local groups and they provide the essential audience!

We will be staying at the Hotel Victoria in Santa Margarida right on the beach. Go on line to have a look at it on www.prestigehotels.com.

St. Georges Church Concert, The Mayor's Charity, Friday 22 April

This was a successful concert aided by our guests, The Dovedale Singers. The acoustics were just so good. The Mayor was most appreciative of our efforts. Your chairman apologises for his tumble from the stage. The next time Roger Pearce asks me to move I shall ignore him. My thanks to Phil Hill for his lightning reactions to break my fall (from grace).

Woodley Players

Congratulations to Roger Pearce, conductor, and several of WCB who provided some of the orchestra for Woodley Players G and S production, "Yeoman of the Guard". Gordon Robson, on clarinet and trumpet(superceded on the last night by our own MD, Allan Jones), Nick Bradley, Christine Martin and Mark Bailey. And singing with gusto in the chorus were Margaret Bailey and Melanie Oliver.

Whit break up Friday 27th May, return Tuesday 14th June

Summer – school closes on Thursday July 28th
